DETAILED ACTION

Allowable Subject Matter

1. The amendments filed on 12/5/2005 provide additional limitations to the claims which place the application in condition for allowance. All previous rejections and/or objections are hereby withdrawn.

REASONS FOR ALLOWANCE

2. The following is an examiner's statement of reasons for allowance: The art of record (considered as a whole) neither anticipates nor renders obvious a valve or an assembly including a valve that is adapted to control a flow of abrasive particles comprising at least two apertured valve seat means each having a contact face in contact with a corresponding opposing contact face of another said apertured valve seat means and being translationally slideable in contact therewith and with respect thereto and an elongate tubular strut means bearing at a first end thereof on a first of said valve seat means: said valve seat means being urged sealingly together by the pressure of the carrier liquid exerted on a second end of the strut means remote from the first and transmitted generally longitudinally of the strut means to said first valve seat means in combination with the rest of the claimed limitations in the independent claims.

3. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Bryan R. Muller whose telephone number is (571) 272-4489. The examiner can normally be reached on Monday thru Thursday and second Fridays.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Joseph J. Hail III can be reached on (571) 272-4485. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
